SUMMARY

I'm a junior Frontend developer with one year of experience in building web and mobile apps. I love learning new technologies and enjoy creating interactive and responsive applications. I work well in teams and focus on delivering high-quality, user-friendly solutions. I'm eager to join a forward-thinking team and continue growing as a developer.

EXPERIENCE

Sales Agent

Pyramids Developments

March 2023 - August 2023

Sales Team Leader

New Doors Properties

January 2022 - February 2023

Medical Sales Representative

Future Pharmaceutical Industry - FPI

October 2019 - September 2020

Chemist

Fares Medical Lab

July 2017 - September 2019

PROJECTS

E-Commerce Website

- Developed an eCommerce front end with Next.js, leveraging server-side rendering for fast load times and enhanced SEO.
- Implemented dynamic routing and static site generation.
- Integrated with Strapi backend for product data.
- Features include a shopping cart, user authentication, and secure payment processing, all styled with CSS-in-JS for a polished design. Ensured scalability, robustness, and user-friendliness.
